

– Project Showcase Series

Location:	Thornleigh
External Finishes:	Insulclad
Rooms Added:	Master Bedroom, 2nd and 3rd Bedroom, Bathroom & Rumpus Room

Project Brief

Our clients wish was to create a home their family could grow into, one that would accommodate them through the different stages of family life.

The Result

A new First Floor Addition provides the perfect additional living area with three bedrooms, generous bathroom and rumpus. An innovative and functional design has achieved the hopes and wishes of this family who are thrilled with the result.

Client Comments

'They gave us great ideas to make the rooms flow, and even assisted us with the re-design of a section of the old house that gave us a new separate laundry, it's wonderful and something I thought I would never have.'
